20.0.No.13

I am agreeable to the issue of the draft order constituting Hospital Councils for the two premier Hospitals and the Minto Ophthalmic Hospital, in the case of which last institution the Council may be composed of the Superintendent, the Resident Medical Officer and the doing duty Assistant Surgeon (or medical Graduate, as the case may be)

3 The only remark I may offer is that the words "that might have been made by the Board of Visitors in the interval" in paragraph 2 would appear to be out of place, since there is nothing in the Government Order No. L. 1800-801, Md.

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

A scheme for the appointment of Board of Visitors to important Hospitals in the State has been engaging the attention of Government for some time and the Senior Surgeon was accordingly requested to submit proposals for the appointment of such Boards for the two important Hospitals, *viz.*, Victoria and Minto Ophthalmic Hospitals at Bangalore and the Krishnarajendra Hospital at Mysore to begin with. Meantime, in connection with the cut motion brought forward by Mr. Mahomed Abbas Khan and four other members of the Legislative Council, at the last meeting of the said Council, for reducing the expenditure under "21 Medical," in the State budget for 1925-26, the desirability of appointing such a Board for the Victoria and Krishnarajendra Hospitals was also suggested. The members were informed that the matter was already under consideration.

Government have now considered the proposals submitted by the Senior Surgeon and are pleased to approve of the constitution of the Boards as finally recommended by him for the three Institutions in question as noted below :—
